

Rural migrant worker projects: Hull Together!

YHRMP ID

36

Author(s)

Commission for Rural Communities

Key issues

The report briefly discusses migration to Hull and describes how some Polish migrants have worked with the Polish Association and church representatives to address the needs of Polish migrants, leading to the formation of 'Hull Together'. Hull Together supports the welfare of all migrant groups, and has worked with Indian and Filipino Associations.

Conclusions

The project has emphasised self-help, with the professional expertise of individuals from education, health, police, housing and employment services to bring the people of Hull together.
