Please note this page is still being developed.

This guide is for people who are looking for a house or flat to rent.

It provides a checklist and more detailed information on each stage of the process, including:

- what to look out for before renting
 - living in a rented home
- what happens at the end of a tenancy
 - what to do if things go wrong

Housing issues will always arise and therefore you need to know your rights and responsibilities. Take a look at the Citizens Advice page, where you can find information about how to go about

renting or buying a home or just finding somewhere to live. You can also find advice on handling problems with your landlord and help to avoid losing your home.
