Prince's Trust

# Who are we?

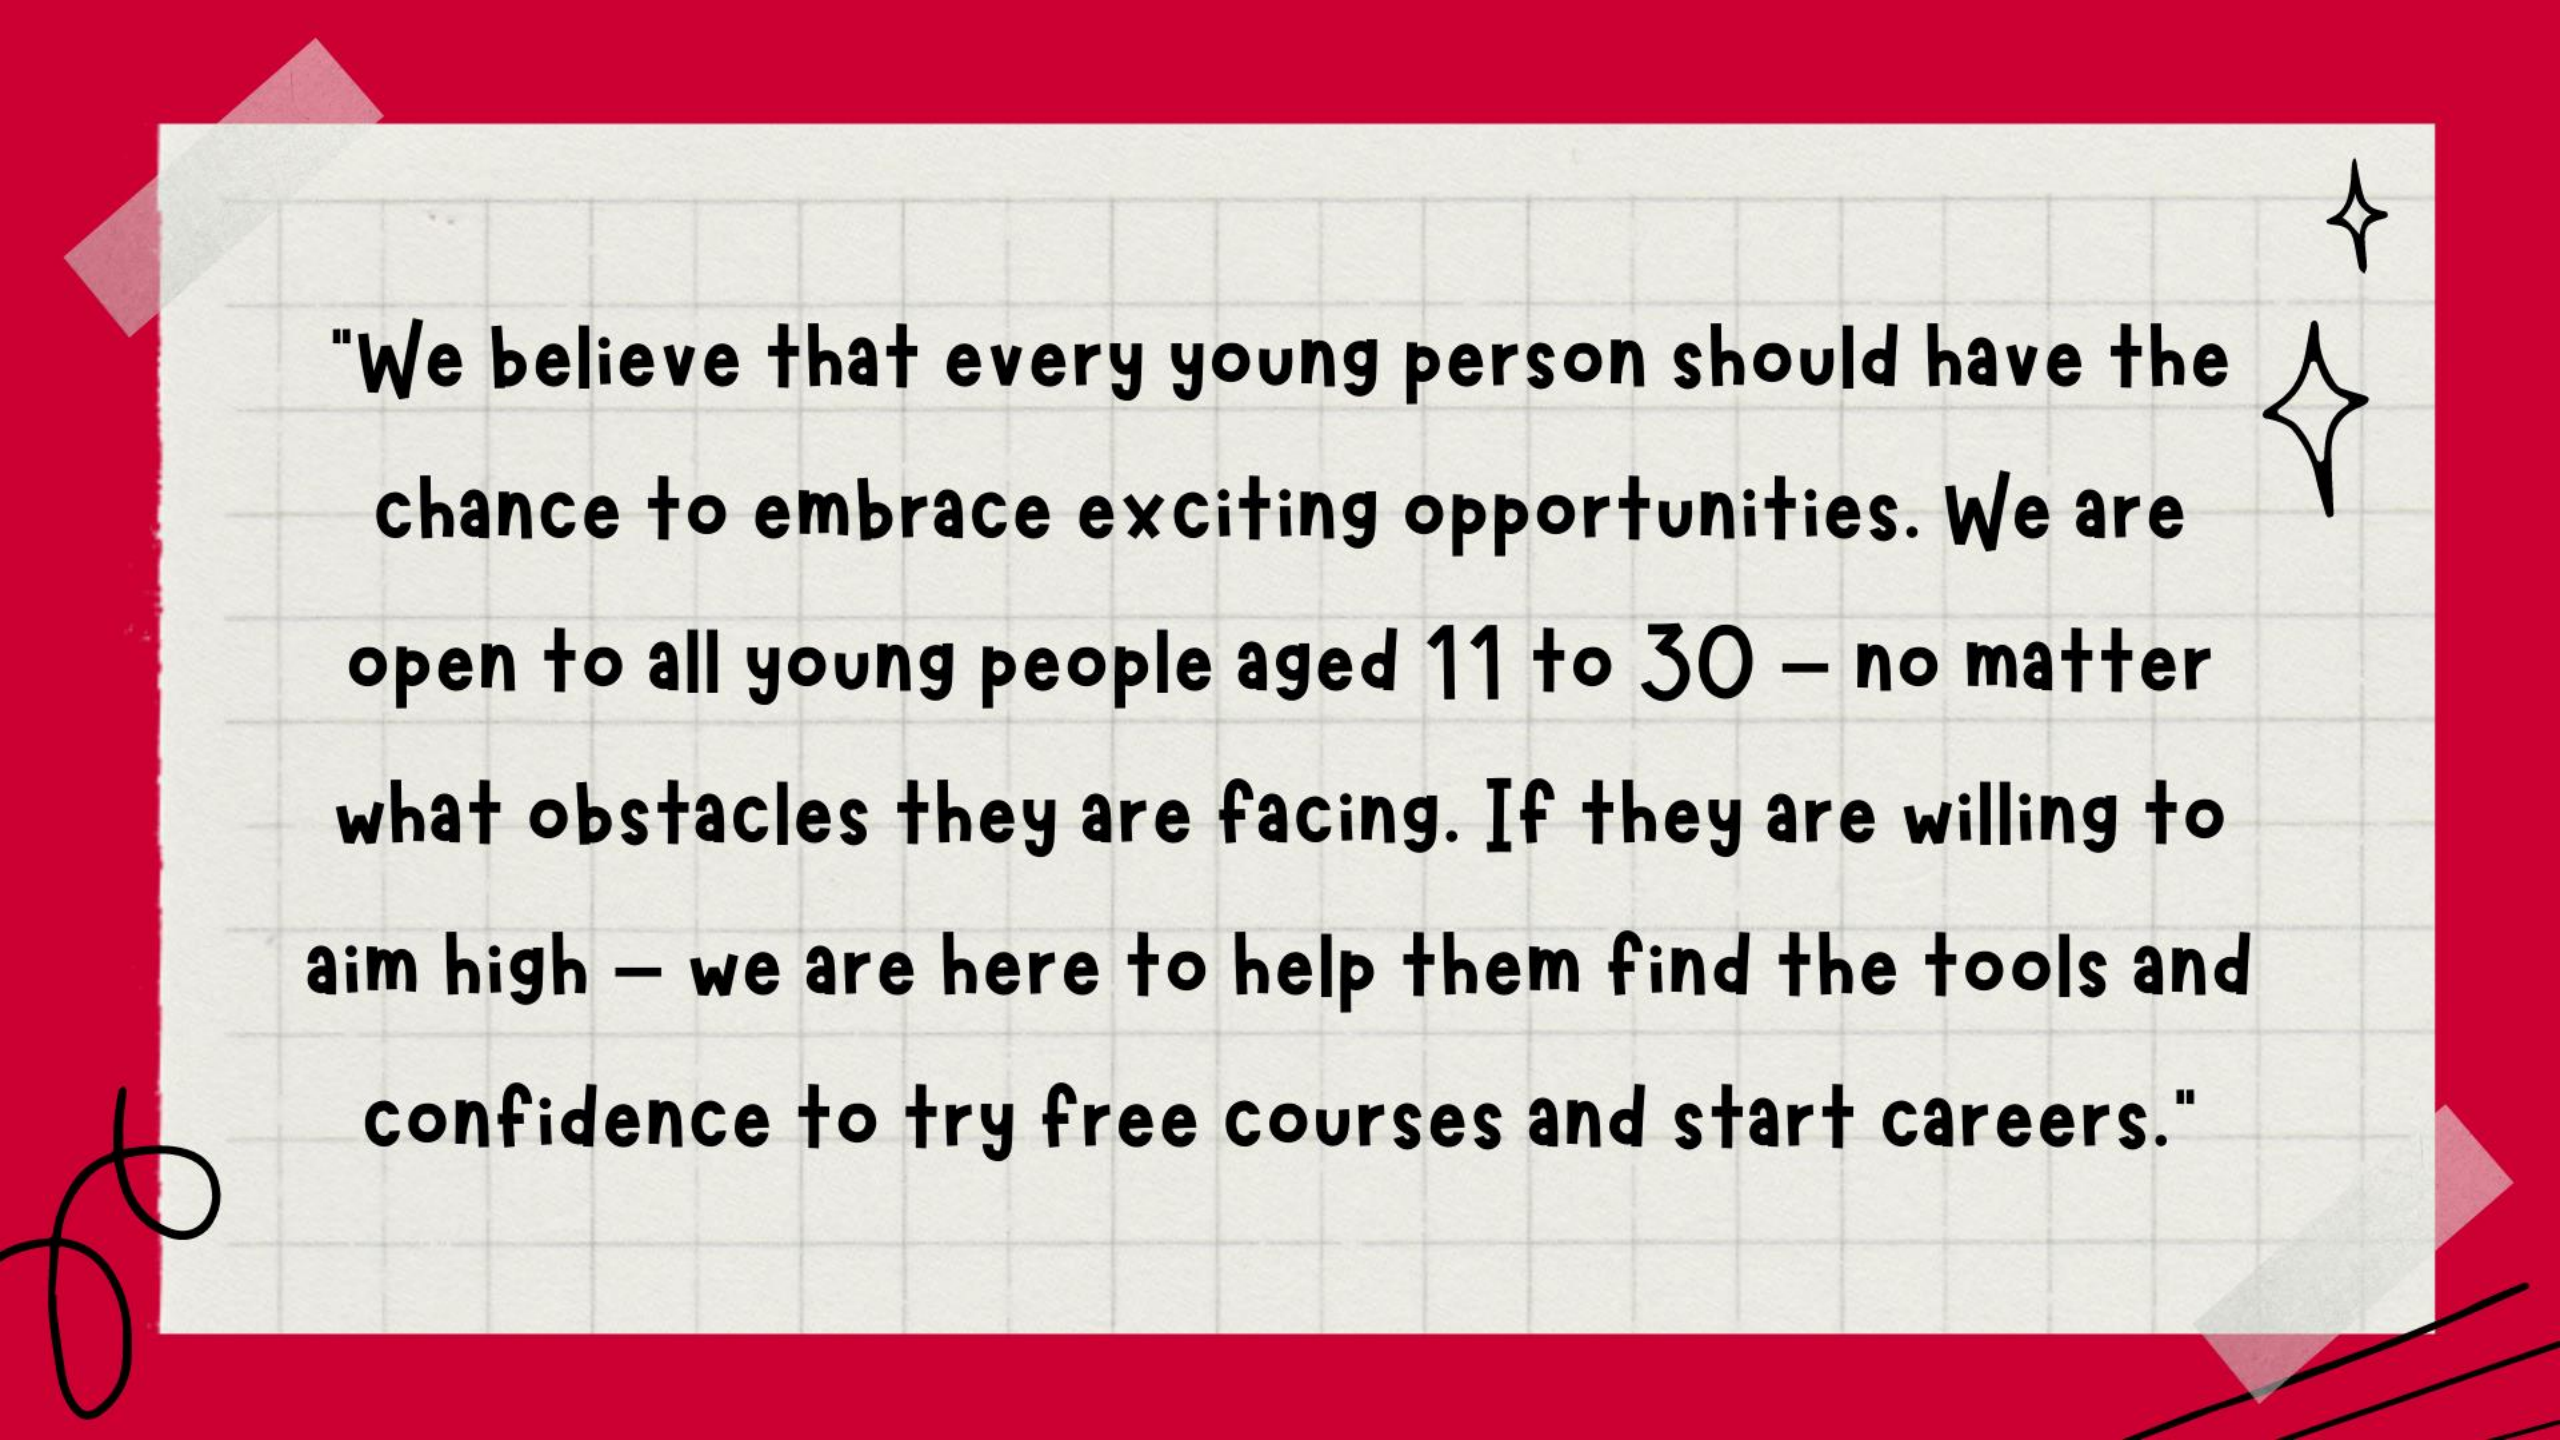

- Founded in 1976 by King Charles to improve the lives of disadvantaged young people in the UK.
- We support young people aged 11-30
- Offer programmes to help young people build confidence, get jobs and start their own business

We have helped 950,000 young people to date and plan to help a further 1 million young people to transform their lives in the next 10 years.

Prince's Trust

**"We believe that every young person should have the chance to embrace exciting opportunities. We are open to all young people aged 11 to 30 – no matter what obstacles they are facing. If they are willing to aim high – we are here to help them find the tools and confidence to try free courses and start careers."**

Gain sector specific skills, training and work experience

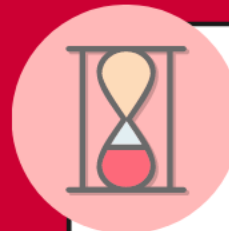

## WORK WITH THE EMPLOYER

Work with committed and inspiring external partner

## SKILLS

Improve employability skills

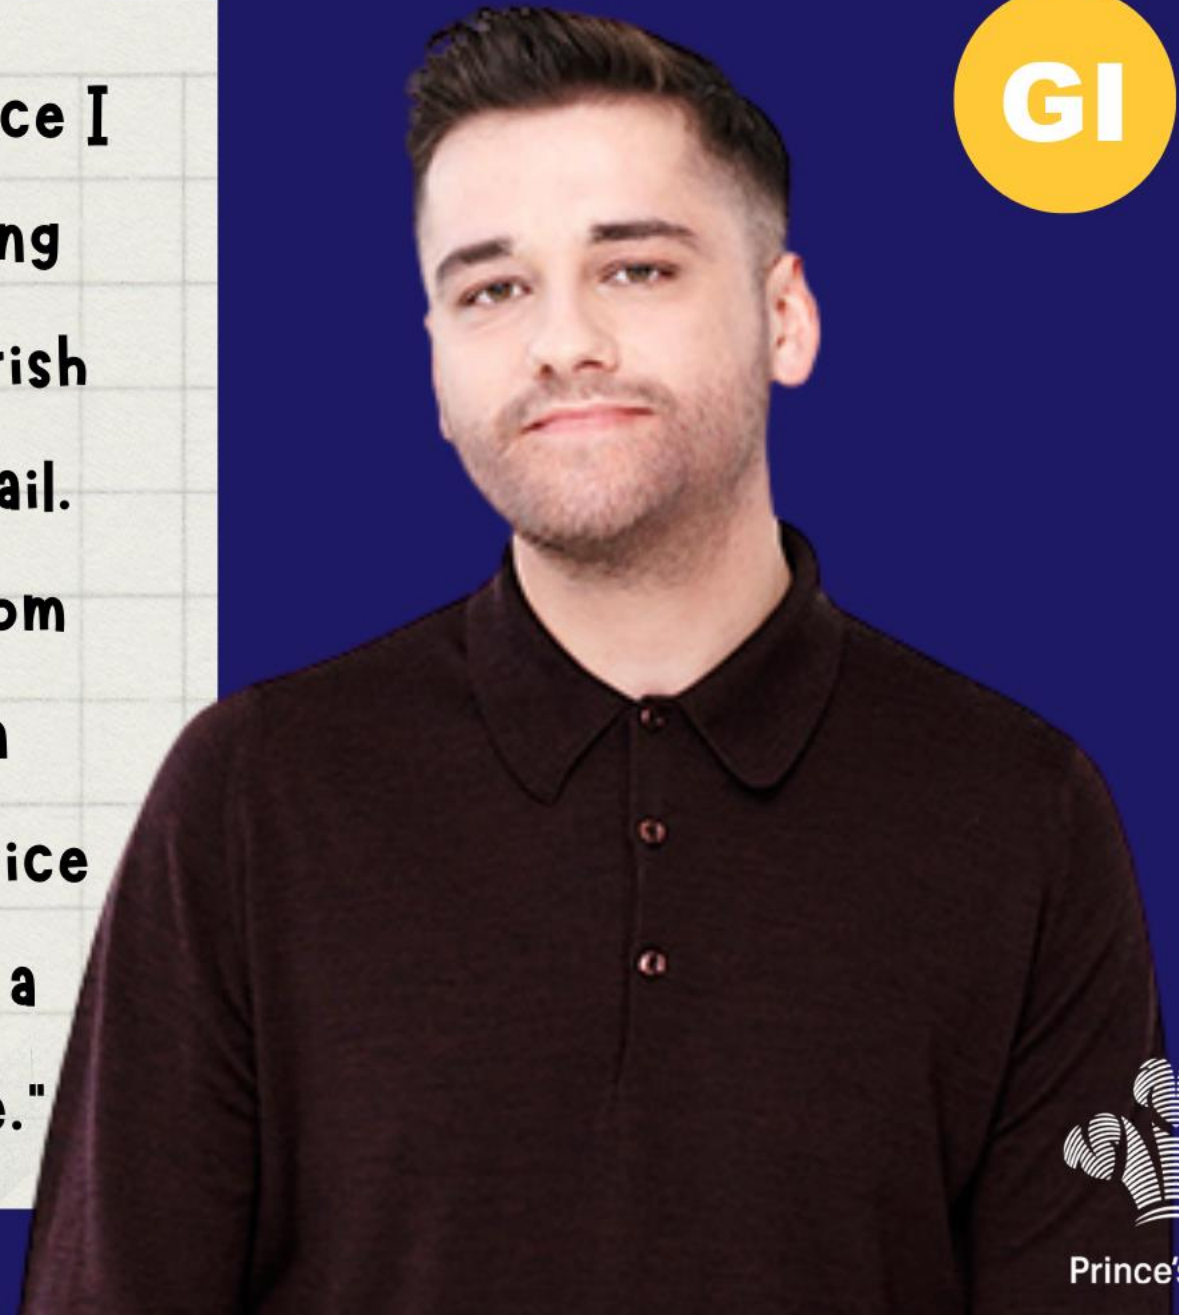

## JOB READY!

Move into a sustainable job within the sector

**"The programme gave me confidence I didn't know I had and the stepping stones I needed in order to flourish and progress into a career in retail. While with M&S I progressed from Customer Assistant to Section Co-ordinator and Customer Service Champion and was nominated as a Colleague Forum Representative."**

# Get Started

The Get into programme helps Young People develop new skills and build confidence, while having fun at the same time!

Our Get Started programme covers everything from music, boxing, and football to fashion and gives you a taste of an industry working directly with inspirational experts.

On this week-long programme you'll work towards a group challenge while developing your skills and confidence.

# Enterprise

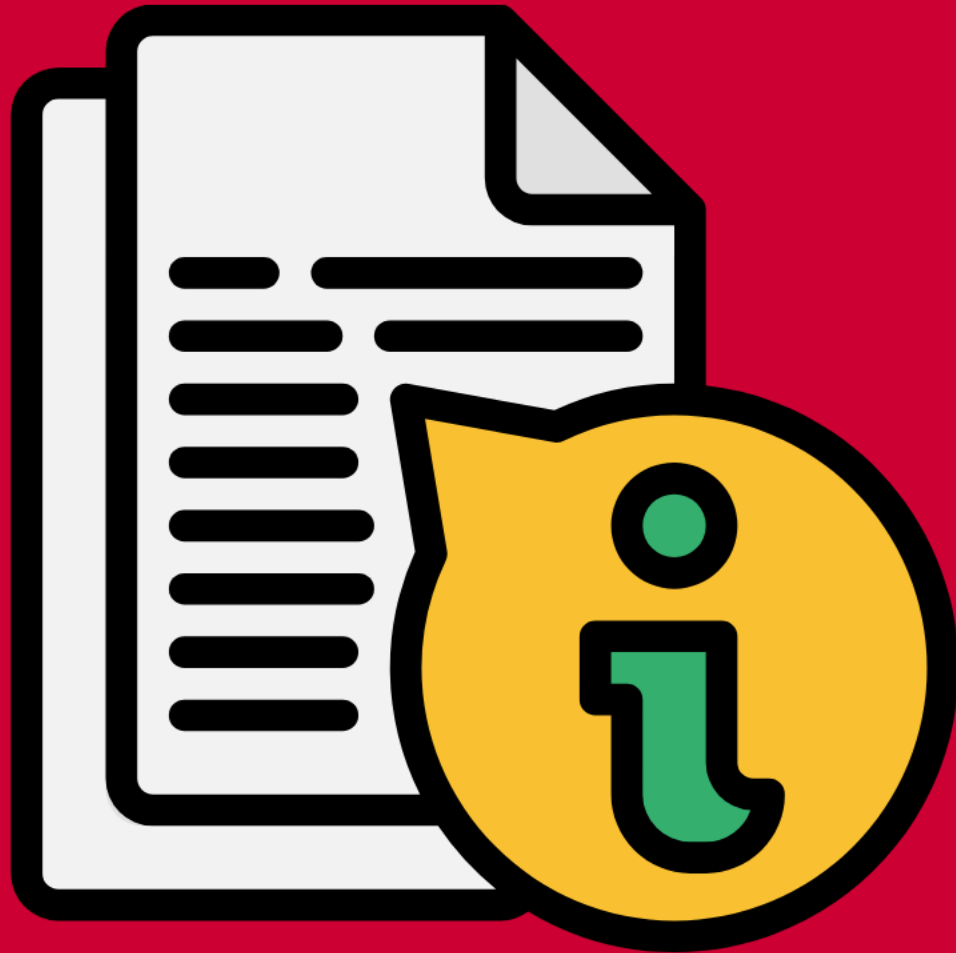

The Prince's Trust Enterprise programme offers support for young people aged 16-30 (both digitally and in person) who want to **explore self-employment** with the interest of starting up their own business.

Prince's Trust

# STAGE 1: INFO SESSION

E

Our programme kicks off with a free information session (online) where the team can give you a clear understanding of the whole programme, how we can support you and, if you're still keen, we'll also invite you onto our interactive workshops

Prince's Trust

# STAGE 2: EXPLORING ENTERPRISE COURSE (EEC)

The course covers foundational knowledge including Marketing, Selling, Finance and putting together a business plan.

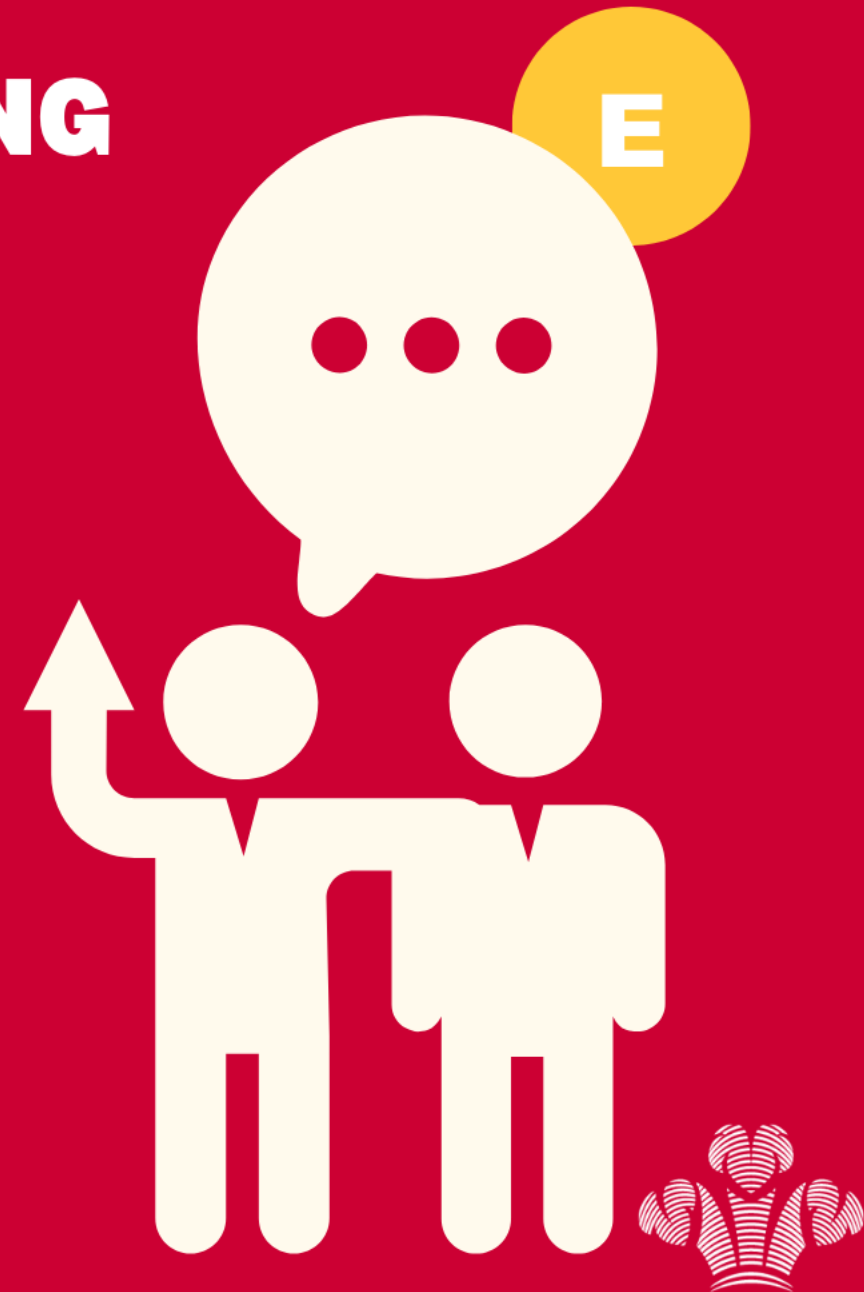

During the course you'll get to meet like-minded people. The course can be online or in person at a local venue and last between two and four days.

# STAGE 3: BUSINESS BUILDING WITH YOUR MENTOR

After the EEC it's time to start building your business! We'll provide you with a mentor to support you as you plan and test your ideas. You'll even have the opportunity to apply for personal loans for business purposes.

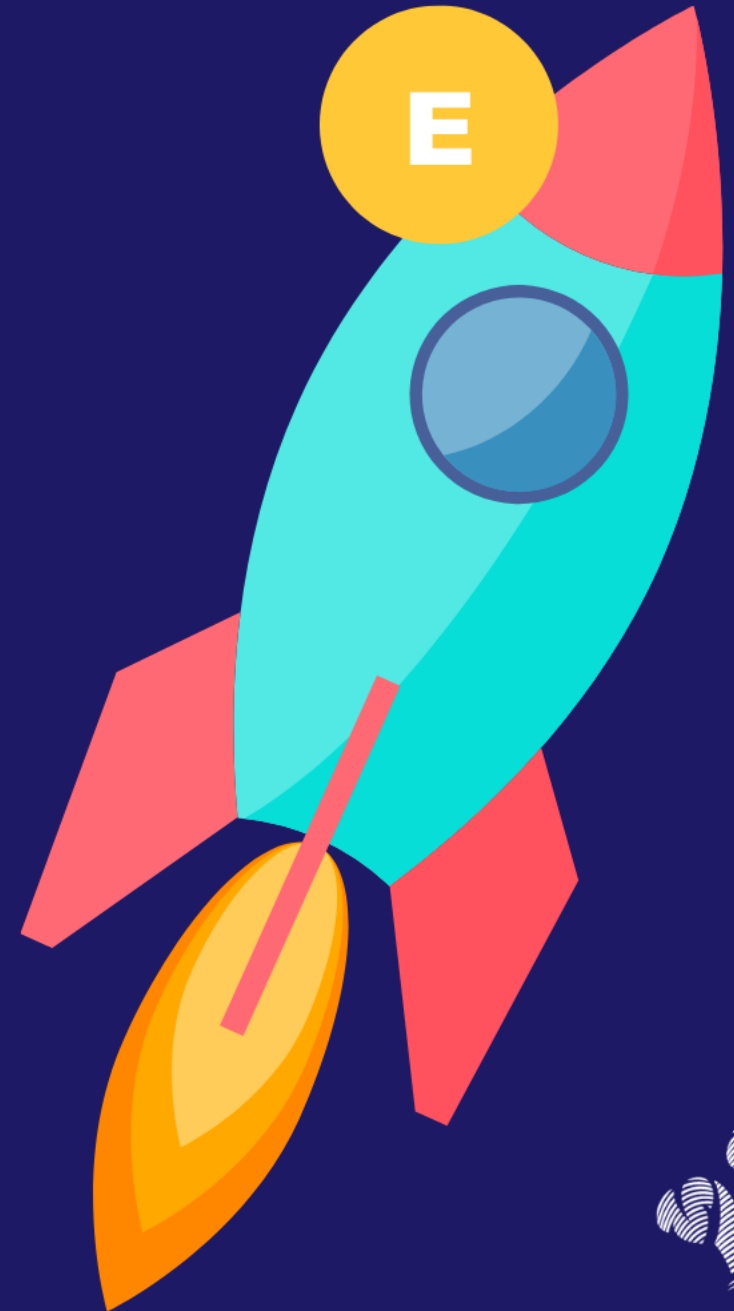

You will be given up to 12 months of 1-1 support with their business plan, cashflow, funding and any other support they need to get to business launch.

# STAGE 4: BUSINESS LAUNCH GROUP!

Before launch, you'll present your business plan to our Business Launch Group. Their job is to ensure your idea is viable and sustainable. There's also additional start-up finance support if you need it

After you have attends a business launch group with the trust, you can then access a **business mentor support for up to 2 years post launch**

**"Although I knew a lot about the on-field stuff, it taught me so much about actually running a business and at the end I was amazed at how much I'd learned. But most importantly, The Trust made me feel proud of my idea, proud of my business."**

# T Team

Joining a group of up to 15 other young people, over 12-weeks you'll get to know each other through residential, community projects and work placements geared to help you gain new skills and improve your confidence.

Prince's Trust

**T**

## **YOU'LL BE CHALLENGED TO:**

- Take on your own group community project, making a positive difference to the place where you live
- Take part in an action packed residential trip
- Get two weeks' work experience in something you're interested in
- Develop your English and Maths skills

As part of the course, we also spend some time developing your interview and CV skills to ensure your confidence is sky-high for when taking the next step.

# HOW IT WORKS:

## Week 1

Over this week, you'll start planning for the weeks ahead – setting out what you want to achieve and finding out how to get your qualifications.

## Week 2

You'll spend this week away – trying new things and learning how to work with others. Trying canoeing, climbing, raft-building and much more.

## Week 3-6

As a Team, you'll decide on a project to benefit your local community and carry it out. This gives you great experience to talk about at interviews.

## Week 7-8

This is the time to see how the skills you've developed so far can help you in the workplace. It's also a great chance to try out a type of work, or company, to see whether you like it.

## Week 9

You'll get help to write a fantastic CV, practice your interview skills and write applications.

## Week 10-11

You and your Team will take on a challenge to help others in the community. This is when you get to test out all the skills you've developed.

## Week 12

In your final week, you'll deliver a presentation – giving you the chance to show off the talents you've discovered!
